

Migration

```
graph BT; A["teagasc.migrations.0012_auto_20210415_0852.Migration"] --> B["Migration"]
```

A diagram illustrating the relationship between a specific migration object and its class. At the bottom, a gray rectangular box contains the text `teagasc.migrations.0012_auto_20210415_0852.Migration`. A blue arrow points vertically from the top center of this box to a white rectangular box at the top, which contains the text `Migration`.
